

CRE 1st Grade Summer Reading Challenge

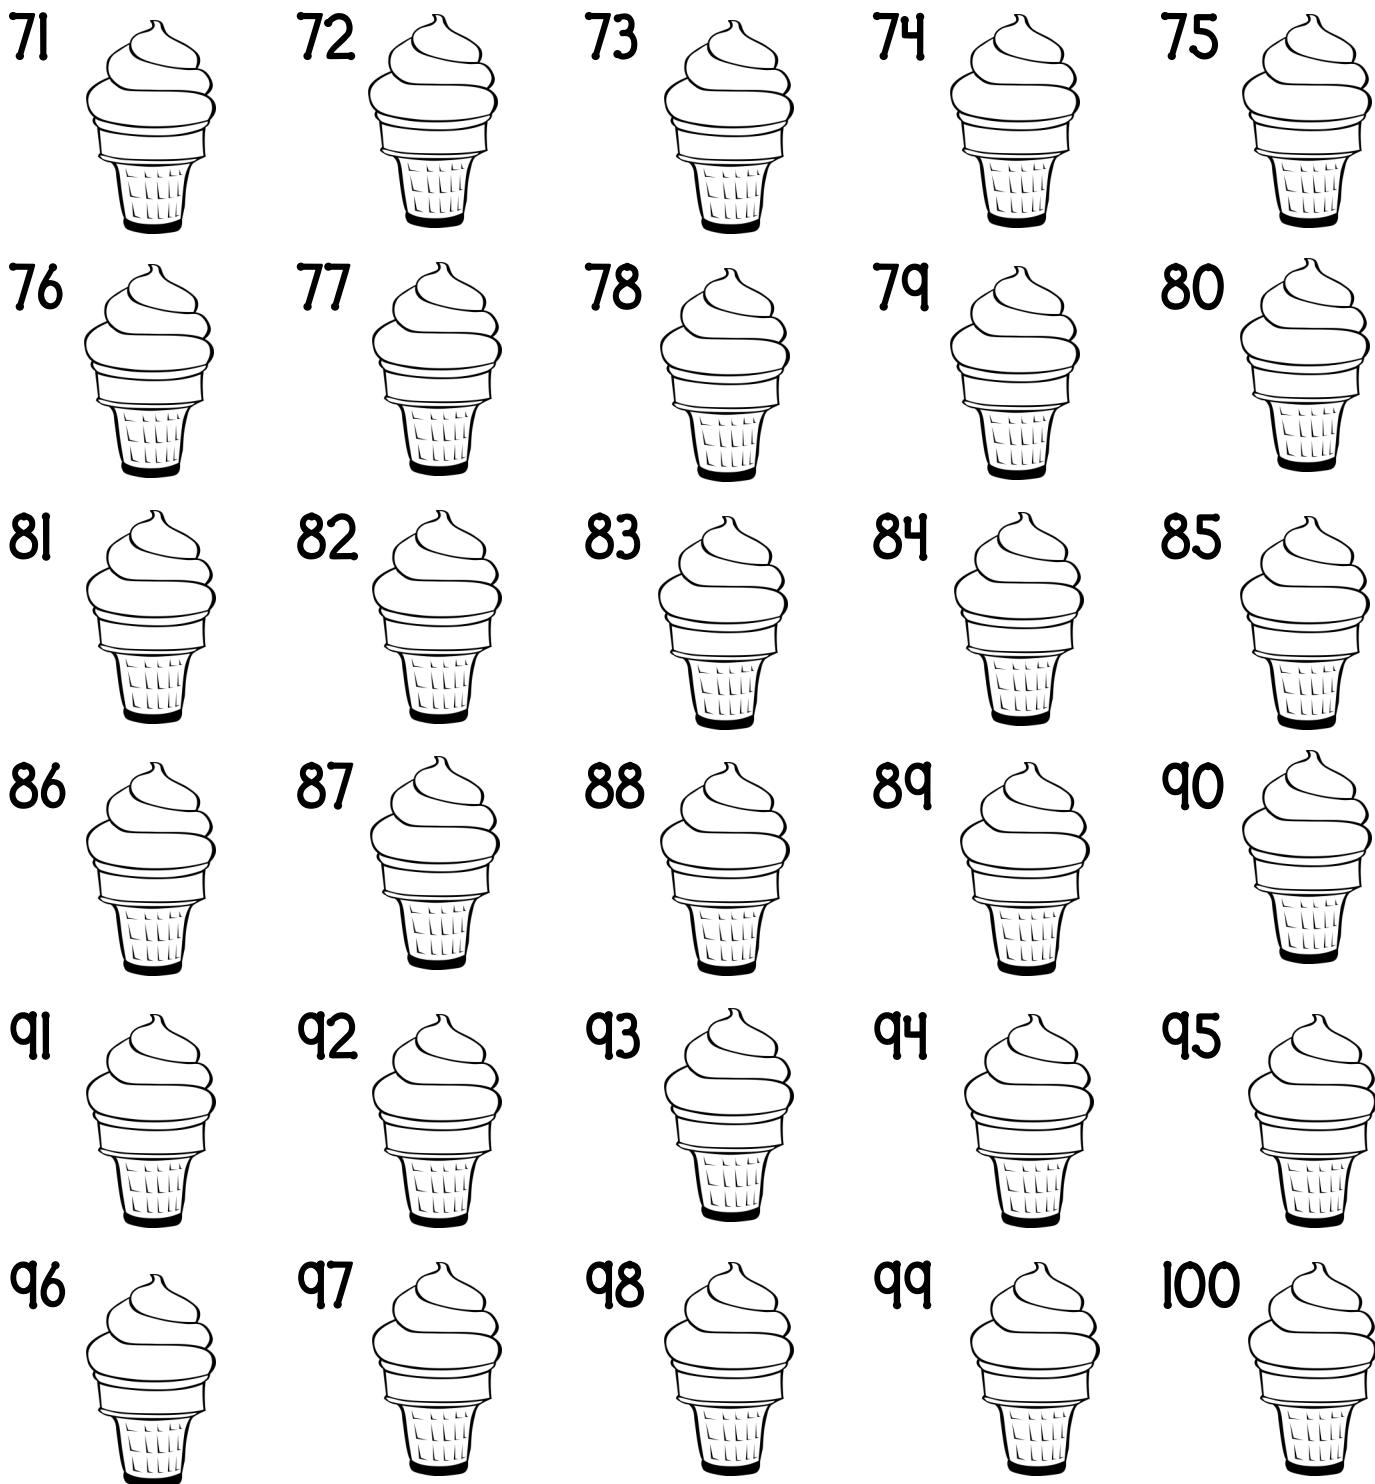

Welcome to the 1st Grade CRE Library Summer Reading Challenge! My goal is to have each family read 100 books with their first grader over the summer! Color in one picture for every book read. First graders who meet this goal will be invited to an awesome party in the fall! Please return completed forms to the CRE Library at the beginning of the school year!

To hear some fun stories online, check out the library website at www.crelibrary.weebly.com

Read a book, color in a picture! Easy peasy!

CONGRATULATIONS! YOU DID IT!

Student Name: _____

First Grade Teacher: _____

Total # of books read: _____

Parent Signature: _____
