

CRE LIBRARY 3RD GRADE SUMMER READING CHALLENGE

Welcome to the 3rd grade CRE Library Summer Reading Challenge! My goal is to have each third grade student read for at least 1,000 minutes over the summer. Color in one game spot for every 20 minutes you read. Students who meet this goal will be invited to an awesome celebration in the fall!

Please return completed forms to the library at the beginning of the school year. To hear some cool stories, check out the CRE Library website at www.crelibrary.weebly.com. Stories can be found by clicking on the "BOOKS" tab. These stories can count towards your goal! I hope you have a super fun summer and find some fantastic books to read!

Love, Mrs. Helsel
